**Intake Narrative(s)**

**Contact Date:** 04/28/2016

Reporter states that source took her child, Madeline, to a counselor or psychologist named Laura who deals with sex abuse cases because she was abused by her ex boyfriend. Source informed reporter that when she went into the room, she observed Laura with her pants unbuttoned and unzipped sitting near her Madeline. Reporter states that source solicited information from her child that let her to believe that there was touching involved. Reporter states that source obtained this information by asking the child leading questions she suspected and the child said yes. Madeline is 3-years-old and she herself has not made any self-report of the incident. Madeline was not taken to be examined. Reporter does not believe that source has any other children that see Laura for counseling. Reporter states that there is a pending investigation as source alleges Madeline's father of sexual abusing her but cannot substantiate her complaints. It should be noted that SACWIS shows three past unfounded reports involving Madeline in which the source of this report has been the source or reporter of. One was flagged as harassment and one was flagged as a false report. No reported Native American ancestry, worker safety issues, substance abuse issues, support systems, disabilities, or AKA's. LEADS requested.

**Allegation(s)/Relationship(s)**

---

**Alleged Perpetrator:** Lauko, Laura**Alleged Victim:** Kramer, Madeline**Relationship:** Mental Health Staff**Allegation:** 21-Sexual Molestation**Allegation Finding:** Unfounded**Evidence suggesting an incident occurred and that the alleged perpetrator is responsible:**

Reporter states that source took her child, Madeline, to a counselor or psychologist named Laura who deals with sex abuse cases because she was abused by her ex boyfriend. Source informed reporter that when she went into the room, she observed Laura with her pants unbuttoned and unzipped sitting near her Madeline. Reporter states that source solicited information from her child that let her to believe that there was touching involved. Reporter states that source obtained this information by asking the child leading questions she suspected and the child said yes.

**Evidence suggesting an incident did not occur or that the alleged perpetrator is not responsible:**

Madeline did not make any disclosures regarding Laura. Madeline indicated Laura is nice and she plays kangaroo and jumps with Laura. Police have closed the case and are not pursuing charges. Laura denies allegation. Father denies child has made any disclosures to him.. Father reports the mother is obsessed with child being abused and the child is not.

**Allegation Rationale:**

Sexual Molestation is recommended unfounded. Child indicates Laura is nice and made no disclosures. Laura denies the allegations. Police are not pursuing charges.

According to Rules and Procedures 300, the definition of Sexual Molestation is "sexual conduct with a child, when such contact, touching, or interaction is used for arousal, or gratification, of sexual needs or desires. Parts of the body as used in the examples below refer to the parts of the body described in the definition of sexual conduct found in the Illinois Criminal Sexual Assault Act as quoted in Allegation 18, Sexually transmitted diseases. Examples include but are not limited to:

- Fondling
- The alleged perpetrator inappropriately touching or pinching of the child's body generally associated with sexual activity
- Encouraging, forcing, or permitting the child to touch parts of the alleged perpetrator's body normally associated with sexual activity.
